Year-End Prep Checklist

What to gather before your accountant needs it — so year-end is a formality, not a scramble.

☐ **Bank statements for the full financial year**

All business accounts, start to finish.

☐ **Sales invoices issued during the year**

Every invoice you sent to clients.

☐ **Purchase invoices & receipts**

Everything you bought for the business.

☐ **Payroll records & submission summaries**

Payroll runs and Revenue submissions for the year.

☐ **VAT returns filed during the year**

Copies of each VAT3 return submitted.

☐ **Loan and lease agreements & statements**

Any business finance in place.

☐ **Details of asset purchases or disposals**

Equipment, vehicles, or property bought or sold.

☐ **Opening & closing stock figures**

If your business holds inventory.

☐ **Personal funds in or out of the business**

Any money you put in or drew out personally.

☐ **Last year's accounts or tax return**

For your accountant's reference.

We handle this throughout the year, not just at year-end. Monthly bookkeeping means this list is already done when your accountant needs it. Get a free quote at ledgerly.ie/contact.html
